

Lib Dems - the effective opposition

Tim at his desk, dealing with local casework

The Lib Dems became the main opposition on Kent County Council in June 2009. This came after the Labour group was decimated to just two members.

The Lib Dem group increased in size including a sensational win in Folkestone West. **Tim Prater** won the seat from the Conservatives, beating Shepway Council Leader Robert Bliss.

Tim said:
"The Lib Dems are an effective opposition to the Conservatives. We have stood up against waste, such as Kent TV which cost over £1 million. It was a failed project and we pushed for it to be cancelled. Finally the Conservatives saw sense and cancelled it this year."

"We are an honest and principled group. It is ridiculous to object to proposals which we agree on. But for those we don't, we continue to seek amendments to make them fair. Labour spent its time as opposition involved in old fashioned, yah-boo, 'Punch and Judy' politics that did Kent no favours. We will give credit where it's due, but fight failings and waste where it's due as well."

expenses hike - 'an insult to voters'

The Conservatives on Kent County Council voted through an 8% increase in Councillor allowances despite Lib Dem calls for payments to be frozen.

Conservative County Council leader Paul Carter dismissed a call from the Lib Dems for the decision to be put on hold to allow the public a say, saying it "would be a total waste of time and effort."

Tim Prater said:
"It's just wrong that at our FIRST Council meeting, the Conservatives voted for an £1,000 pay increase for Councillors."

"The Lib Dem group voted against the increase. Services are increasingly under threat and County Council staff have had zero increases in their pay."

... but Tim spends it on the community

Tim made a promise he would spend the increase in his basic allowance on the community. So when a new postal service was being set up in Sandgate, Tim thought this would be ideal.

Tim Prater said: "After the Tories forced through the allowance increase, I was determined to see the money benefit local residents. I was delighted to be able to help out with this new venture. I funded the £500 annual collection licence and other equipment for The Village Store on Sandgate High Street. Local residents and businesses can now not only buy stamps, but also post parcels and send items by recorded post.

"By paying for this new licence and equipment, Sandgate High Street sees post services return - excellent news for local people!"

you decide - funding power to local people

Lib Dem County Councillor Tim Prater was the first in Shepway to run a "You Decide" day in 2009. The initiative **gave power to local residents** to distribute £15,000 of funds into community projects.

Any local voluntary or community group can apply - as long as the project will benefit the Folkestone West area - and local residents decide which gets the support!

Tim Prater said:
"2009 was the first time these grants have been decided by local residents. It's not my money - it's OUR money. Local people should decide how its spent."

"The event was so successful we've decided to run it again. And this year the funding pot totals £18,000!"

You can get more details and an application form by contacting Tim - details to the right.

Last year's successful bids were from: National Autistic Society, Folkestone Gurkha Nepalese Community, Folkestone and Hythe Sea Cadets, Folkestone Invicta Youth Football, St Georges Youth work, Folkestone, Hythe Operatic & Dramatic Society, Church Street Project, 4th Cheriton Guides, Skillnet Group CIG, Sandgate Chichester Memorial Hall and Sandgate Heritage Trust.
